

Phd in Branch: Law
Specialty: Administrative Law

Summary of objectives :

The primary objective of teaching administrative law to Phd students is to inform them about the specificities of this branch of law which is defined as the body of rules, regulations, orders, and decisions created by the administrative agencies of government. The core purpose is to ensure that any decisions or actions taken by government are lawful and, when they are not, to provide redress for grievances.

Field	Branch	Speciality
Law and Political science	Law	Administrative Law

First Semester

Main axes [Administrative Law Phd](#)

Module: Administrative Law

General concepts of administrative Law

The scope of administrative Law

Centralisation and decentralisation

Administrative decisions

Administrative control

Public Service

Administrative contracts

Module: information and communication technology

Introduction to information and communication technology

Basic concepts about information and communication technology

The contribution of technology to knowledge management

The concept of information systems

Module: methodology

General concepts about scientific research

Steps to prepare scientific research

Collecting information methods

Techniques of Presentation

Module: English

Legal texts

Legal translation

Module: Documentary research

The concept of documentary research

Characteristics of documentary research

Documentary research goals

Stages of documentary research

Research Methodology

Descriptive and analytical method

The historical method

The comparative method

Module: pedagogy

Definition of pedagogy

Types of pedagogy

Characteristics of pedagogy

Teaching Methods

Lecture methods

Questions methods

Problem-solving method
