Retake First Semestre English Exam 2025/2026

Local authorities are decentralized administrative units within the state that manage local affairs and provide public services to residents within a specific geographic area. They possess legal personality and financial autonomy, allowing them to make decisions that suit local needs such as provinces and municipalities.

Read the text carefully and select the terms and paragraphs that are related to the concept and role of the Local authorities.

Legal Accountability		Participatory Democracy
